**Chiefs Report**

**Calls: 16** total calls, 3 fire calls, 8, EMS calls, 3 MVA's, 1 Service Call and 1 Mutual Aid Calls (ALS - MVA). A76, had 3 transports.

**Staffing and Recruiting:** We are starting to see the effects of Spring which will lead to Summer. We are reminding our volunteers that we still have a fire department to run. We need

everyone to continue to pull their 5 shifts a month. Recruiting has slowed a bit, but we are still getting inquiries about becoming a volunteer. Half of our EMT class will be part of the next fire academy.

**Financial Report:**

GL Trial Balance cash on hand:	\$526,476.59
Less 05-09-2023 expenses	-71,731.99
Deposits (not yet posted)	<u>\$201.01</u>
Remaining cash on hand:	\$454,945.61

Reserves: \$582,501.98

**Training:** We are keeping up with shift and weekly training. We have been working on fire engine evolutions. We will be having a guest speaker next week going over Zoll Auto Pulse. This speaker will introduce AutoPulse to new volunteers and our current EMT class.

**SS911:** Nothing to report. I was on vacation.

**Fleet Status:** We need to get together with South Pierce Fire & Rescue and decide who will be helping the Academy. Once that is done, we need to start our annual maintenance for our fire engines. We will be reaching out to Erker's Auto to get the other vehicles in for their service. We updated the light bar to BR76 and the other light bulb warning lights. We can now be seen. We are ordering a light bar for MAR77 for the same reason, 2 to 3 weeks out. In the meantime, MAR77 is in service.

**Good of the Order:** South Pierce Fire & Rescue started the end of winter spring fire academy. We have 2 recruits in the academy, and they have been checking in to keep us apprised of what's going on. They have their live fire day scheduled for June 11, 2023. We will have 2 instructors, plus myself as the TCO, for the live fire evolutions. E77 and crew were at the Easter Egg hunt at the BPIC. Former FF/Paramedic Mitch Holbrook graduated from the WSFTA in North Bend. I attended the graduation. He is now a probationary FF with South Pierce Fire & Rescue. We know he will do great things for them. I have started looking for a grant opportunity for a fire station and new SCBA's. We are inside a 5-year window for replacement of our SCBA's and I don't want to get caught flat footed. We will ask for replacements for all in-service SCBA's and an additional 10 for the fire academy recruits.

**MSO Report:**

EMT class is due to end May 26, 2023. All are doing well.  
Chief Wassall presented a CPR class to Costco employees.  
EMT students are asking questions daily.  
System Design 25 calls and have received 6K in payments and 10K pending.  
We need to complete a cost report. Feasibility study is free.
